<p>1:15 PM - 1:30 PM</p>	<p>BREAK</p>		
	<p><u>Concurrent Breakout Workshops B:</u></p> <p>Room 1 - Addressing Mental Health and Substance Use through Public Health-Public Safety Partnerships</p> <p>In all communities, and particularly in rural areas, partnerships between health providers and public safety organizations can be an important opportunity to leverage resources and address community health needs through non-traditional collaboration. In this session, a panel from the Department of Justice’s Office of Justice Programs (OJP) will discuss relevant grant programs and training and technical resources, including specific examples of public health and public safety partnerships in rural areas successfully tackling mental health and substance use concerns in their communities.</p>	<p>Mariel Lifshitz <i>Office of Justice Programs</i></p> <p>Maria Fryer <i>Bureau of Justice Assistance</i></p> <p>Rebecca Rose <i>Bureau of Justice Assistance</i></p>	<p>Click here to enter Room 1</p>
<p>1:30 PM- 2:30 PM</p>	<p>Room 2 – Understanding EMR Interoperability: What Every Practice Should Know</p> <p>CMS has released data-sharing and transparency regulations affecting payers and providers this year, aiming to empower the patient as a healthcare consumer. Many believe these interoperability policies stand to create the cost inflection point sought to deliver high value, low-cost healthcare. Join this discussion on modernization of healthcare in a 21st century digital industry and the steps needed to thrive in a data-hungry world.</p>	<p>Adele Allison, <i>Adele Allison Consulting Services</i></p>	<p>Click here to enter Room 2</p>

	<p>Room 3 - Integrating Behavioral Health within a Rural Clinic Setting</p> <p>This workshop will provide an overview of systems fundamentals of integrated behavioral health (IBH) that are commonly encountered in primary care for clinical and operational implementation. Learning objectives include garnering an understanding of basic clinical and operational strategies to implement and sustain IBH as well as an understanding of how team-based care helps support implementation of IBH in primary care.</p>	<p>Jennifer Yturriondobeitia, <i>Cornerstone Whole Health Organization</i></p>	<p>Click here to enter Room 3</p>
	<p>Room 4 - Value Based Payment: Is it Disrupting Health Care for the Better?</p> <p>Participants will learn about the continuum of payment models so they can identify where they are and where they might want to be. The presentation also includes a real-life example of how Federally Qualified Health Center have leveraged Value Based Payment (VBP) to make significant improvements in patient care and quality, while also building a more sustainable reimbursement stream. The presenter will share his knowledge from decades of practical experience in developing VBP models and offering technical assistance in VBP for a variety of providers across the country.</p>	<p>Art Jones, Stephanie Denning and Cindy Zeldin <i>Health Management and Associates</i></p>	<p>Click here to enter Room 4</p>
<p>2:30 PM - 2:50 PM</p>	<p style="text-align: center;">BREAK</p>		
<p>2:50 PM - 3:35 PM</p>	<p>Focus Area Networking Opportunity</p> <p>Get to know your fellow participants by focus area! These lightly facilitated discussions will provide the opportunity to network and learn what others are doing in your area of interest.</p> <ul style="list-style-type: none"> • Alternative Payment Models • Behavioral Health-General • Behavioral Health-SUD • Care Coordination 	<p>Members of the PO and TA team will facilitate this discussion.</p>	<p>Enter Focus Area Networking Opportunity Room here</p> <p><i>Participants will self-Fkarooms based on assignments</i></p>

	<ul style="list-style-type: none"> • Chronic Disease • Community Health Workers • School-Based health • Social Determinants of Health • Telehealth • Workforce Development 		
<p>3:40 PM - 5:00 PM</p>	<p>Afternoon Plenary: Updates from the Office for the Advancement of Telehealth</p> <p>This presentation will explain the Office for the Advancement of Telehealth’s (OAT) programs and their relevance to advancing telehealth as well as other HRSA and HHS activities in telehealth, including the 2020 Memorandum of Understanding between the Federal Communications Commission, the US Department of Agriculture and HHS, where OAT is looking into telehealth broadband issues.</p> <p>Wrap-up: Meeting Reflections Event Evaluation Meeting Adjourn</p>	<p>William England <i>Office for the Advancement of Telehealth (OAT)</i></p> <p>Patricia Burbano <i>Federal Office of Rural Health Policy</i></p> <p>Robyn Williams <i>Federal Office of Rural Health Policy</i></p>	<p>Enter Afternoon Plenary here</p>
