

Webinar to launch the D-TEC tool for DTC EB TNP grantees

Date: Thursday, January 18, 2024

Time: 11 AM to 12 PM (CST)/12-1 PM (EST)

Presented by:

Today's Presentation Objectives

- **Welcome – Jenna Cope, HRSA**
- **Introduction – Marcia Ward, RTRC**
- **D-TEC materials – Fred Ullrich, RTRC**
- **Demonstration – Fred Ullrich, RTRC**
- **D-TEC process – Marcia Ward, RTRC**

Welcome

- January 3 - OMB provided approval for RTRC's plan for DTC EB TNP data collection.
- Looking forward to the data and research analysis that will be forthcoming from mutual work.
- All grantees should have the following in place:
 - DTUA
 - IRB
 - Control group
 - HawkIDs
 - Workplan in place for collecting service-related outcome measures at least quarterly

Introduction

- Eleven grantees in this cohort.
- Thanks to all grantees for feedback during tool-testing. REDCap[®] seems to be a good fit.
- Ready to launch data collection using Direct-to-Consumer Telehealth Evidence Collection (D-TEC) tool.
- Tips to remember: one year of follow-up per patient; with all encounters in their primary service area

D-TEC Materials

- RTRC Study Protocol for EB TNP Data Collection
- RTRC Data Element Dictionary for EB TNP Data Collection:
 - Patient level data
 - Encounter level data
- D-TEC Tool - Establishing your credentials
- D-TEC Tool User Manual with REDCap[®] link (production and sandbox)
- D-TEC direct import option to REDCap[®]

Demonstration

D-TEC Process

- Grantees will enter data into REDCap® D-TEC for all patients and encounters in service area.
- Grantees will be informed of data-review dates.
 - Kim will let grantees know the exact data-review dates which will occur approximately every quarter.
 - Grantees will be provided with “Issue Reports” after each review.
 - There will be an opportunity for early data-review and Issue Reports in the first quarter to help grantees with questions and understanding the details of the process.

Contact Information

- **Marcia Ward, RTRC Deputy Director and EB TNP evaluation project PI**
marcia-m-ward@uiowa.edu
 - Contact for issues about research plan, evaluation protocol, etc.
- **Kim Merchant, RTRC Project Manager**
kimberly-merchant@uiowa.edu
 - Contact for issues about data elements, deadlines, arranging meetings, etc.
- **Fred Ullrich, RTRC Data Analyst**
fred-ullrich@uiowa.edu
 - Contact for issues about D-TEC tool operations, data review, etc.
